

MASA Umpire Clinic Format for 2010

Gary Evans
MASA State Umpire in Chief

The MASA state umpire staff will be conducting three MASA state umpire clinics in 2010. The clinics are scheduled from 9:00 a.m. to 4:00 p.m. Doors will open at 8:00 a.m. for sign-in, umpire registration, and equipment sales. The format will include registrants choice of 'breakout' sessions. Any umpire wishing to make themselves 'eligible to be considered' as an at-large umpire in 2010 will be required to attend one of the three MASA state clinics, or any ASA National Umpire School.

MASA district clinics will be conducted in the various locations listed in this registration form. The district UICs and their staff will conduct the clinics in an effort to prepare local umpires for the upcoming softball season. We sincerely hope that you take advantage of these opportunities to improve your umpiring skills. Contact the district UIC if you need more information.

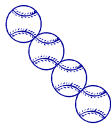

District and state clinics are provided at no charge. State clinics will provide a lunch at a minimal cost. Metro Detroit ASA is hosting an ASA National Umpire School on April 10-11, 2010. This is a great opportunity for advancing your umpiring skills. Please visit the metrodetroitasa.com Web site for additional information. Our MASA state umpire staff will be assisting the ASA National Umpire staff during this school.

Please provide a legible e-mail address on your umpire registration form. We regularly pass on information from our ASA National Office to keep our umpires updated on rules, unusual plays, etc. Also, visit our renovated Web site, masasoftball.org, for additional information and updates.
